Build 35,000 Trailer Homes This Quarter

About Half of Them to Get Vet Housing Priority.

CHICAGO.—Approximately 35,000 trailer coach homes will be built in the last three months of this year to reduce the housing shortage, H. L. Bartholomew, Chicago, president of Trailer Coach Manufacturers association, said.

About half will be built under veterans' priorities established by the veterans' emergency housing program and will be available to veterans, educational institutions providing veteran housing, and to public organizations for local emergency housing situations, Bartholomew said.

The priority trailers will retail for not more than $2,500 with minimum standard equipment and for less without standard equipment. The coaches will be produced by approximately 100 manufacturers, largely in the middle west and on the west coast.

The VEH program permits trailer manufacturers to apply to the national housing agency in Washington, D. C., for priorities on such scarce materials as hardwood flooring, lumber, millwork, construction plywood, plumbing fixtures, building board, builders' hardware, nails, electric wiring devices, and other items.

Although preference will be given to actual war veterans, a number of other classes of persons also will have certain priorities. These include wives of deceased veterans, United States citizens who served in the military forces of an allied nation in World War II, United States citizens who were interned or held prisoner by any enemy nation, and persons who have a certificate of continuous service in the United States merchant marine.

Bartholomew said trailer manufacturers since the war ended have urged their dealers to follow a policy of veteran preference in disposing of short quotas of the vehicles.

Explosives Factory Turns to Fertilizer

PITTSBURG, KANS. — Tiny white pellets to enrich midwestern soil are pouring from the same machines in a Kansas factory that a year ago were turning out deadly explosives.

Without interrupting its 24-hour-a-day schedule, a huge, warborn chemical plant on the prairie has turned the steady flow of ammonium nitrate from blockbuster bombs to the production of harmless fertilizer.

Now it ranks as one of the world's largest producers of fertilizer-grade ammonium nitrate.

No visible change came over the sprawling Jayhawk ordnance plant, 22 miles south of here, when it became the Spencer Chemical company.

Most of the 550 employees didn't even know when their machines stopped turning out material for explosives and began producing it for fertilizer.

Auction Surplus U. S. Ships in Foreign Ports

PARIS. — All surplus American vessels and harbor craft at Antwerp, Belgium, will be auctioned in a drive to speed disposal of maritime stocks remaining in Europe.

Craft include 115 "seamules" (marine tractor type), 41 barges, and 45 landing craft. The equipment originally cost the United States $17,000,000.

British Army Adopts Monty's 'Easier Life'

LONDON.—The war office put into effect Field Marshal Montgomery's program to lighten the burdens of the British Tommy, but warned officers "it is at this time of transition from war to peace more important than ever that a high standard of discipline should be maintained."

Under this program, unnecessary parades, fatigues, guards and picketing duty are scrapped.

Celebrate 10th Anniversary

Appomattox County Home Demonstration Club members are planning a program in celebration of ten years of home demonstration work in this county. The meeting will be held on Friday evening, November 15, at 8 o'clock, in the Appomattox High School Cafeterria. An interesting program has been planned, with exhibits to illustrate each phase of the work carried out in the county during this period of time. Refreshments will be served. The public is invited to attend.

Local Legion Auxiliary

The American Legion Auxiliary will meet in the home of Mrs. F. B. Cale in Hillcrest on Monday night, November 11, at 8 o'clock. Important and interesting reports will be given by the various committee chairmen, followed by a talk on "Rehabilitation" by W. W. Scott, local Past Commander of the American Legion.

An invitatio nto come into the Auxiliary is extended to all eligible women. These include wives, mothers, sisters and daughters of the American Legion members, those of persons who died in war service or since have honorable discharge, and women who themselves served in the armed forces in ther World War.

The present membership drive is the "hub of the wheel" of Legion Auxiliary activities.

Plans are being made for a contest to be held among the members of the Auxiliary for the purpose of securing new members. Captains have been chosen for two teams, and the they are Miss Clara Whitney Moses and Mrs. Shearer Robertson.

AMERICAN EDUCATION WEEK—November 10 - 16

MISSION STUDY CLASS

The MacLean Circle of Liberty Baptist Church will have a mission study class at the church Thursday, November 14, beginning at 6 P. M. Mrs. Lester B. Harvey will teach the book, "Now is The Day."

PTA MEETING

An unusually large number attended the P. T. A. meeting held in the school library Tuesday evening. Miss Harriett Holley explained a very interesting state prize winning photography exhibit, and told of increasing interest in photography as an art. Mrs. Alfred Harwood, Jr. called attention to the overseas exhibit. Articles were brought in and labeled by pupils of the school.

Mr. Frank Carr, chairman of the objectives committee read the district objectives and will report on local objectives at the next meeting. The health committee reported active work with and through all organizations in the county,concentrated in an effort to establish a county health unit. A large committee will appear before the Appomattox board of supervisors next week.

The next meeting will be held on November 18th, and all parents are asked to report to the classroom of their children and go through a shortened period of a day's schedule. This is the program planned for National Education week. An assembly program and cafeteria period will be included.

Farm Home Administration

The Farmers Home Administration, as authorized by the Congress began operation in Virginia November 1, says William C. Turnbull, FSA Supervisor for Amherst and Appomattox Counties, who recently attended a meeting in Richmond, of personnel who will direct the affairs of the new agency.

FHA replaces both the Farm Security Administration and the Emergency Crop and Feed Loan Section of Farm Credit Administration, and takes over the personnel and assets of both agencies, Mr. Turnbull said that for the time being FHA offices will be maintained with the same personnel at all points where FSA and ECLA have operated. Both agencies have made loans to small farmers and the new agency will continue to serve this group.

Also attending the meeting in Richmond was Mrs. Annie V. Putney, Associate FSA Supervisor, in charge of home management in Amherst and Appomattox Counties.

Football Game

Appomattox High Schoov's football team will face the Presbyterian Orphanage team here Friday afternoon on the high school grounds.

Heavy frost here yesterday.

In observance of the annual National Education Week, November 10-16, Appomattox High School will entertain parents and friends at an Open House Wednesday November 13, at 8 o'clock.

During the week schools,churches and civic organizations will participate by emphasizing the importance of a sound educational program. Newspapers, radio stations and business places will also join in the effort to stimulate interest in brotherhood, building world security, and developing better communities.

The occasion will be festive as well as informative; patrons will have the unusual opportunity of childhood "waiting for the bus," which will follow the usual route. Upon arrival they will go to the auditorium where they will register and remain for devotions and an assembly program. Pupils in the Music Appreciation and Senior English Classes will present a one act play, "Let Me Come Back." A meeting with their home room teachers will follow, at which time instructions will be given for following the daily schedule of the children.

The big moment of the school day is the lunch period; this likewise will be observed by faculty and patrons immediately after the five minute class periods. Light refreshments will be served by the Home Economics Department and a social hour enjoyed.

Prizes are offered in both high school and elementary school for the largest percentage of patrons attending in home rooms.

ATTENDS CONFERENCE

Cannery Passes '45 Totals

The community cannery at Appomattox will continue operation through December, it was stated today.

Over 85,000 cans have been put up thus far this year. Last year the year's total was 75,000, including 10,000 cans for foreign relief. The cannery at Pamplin has turned over 50,000 cans this year, a figure double that of last year.

Seek County Health Unit

It is understood that the board of supervisors has been asked to consider setting up a health unit for this county and will consider the matter at its meeting on next Wednesday. A number of citizens plan to appear to support the request.

Hi - School Chatter . . .

- Contributed

Greetings, friends! We'll see if we can dig up some more news that may be of interest to you who have a love for good old A. H. S. in your hearts. Yep, old A.H.S. is just the place to find plenty a-buzzing.

Why, do you know what we hear? They tell us that when anyone is stumped on a geometry proposition in Mr. Crawley's class, all they have to do is see Davy Caldwell and he can work it without any trouble.

And listen! Somebody told us that there was a missionary society party down at the Shuford's Monday night. We were just wondering why Billy Wheeler was down there at that time.

Several of us saw Dot Munsey at Liberty Church Sunday night. We can understand her presence there since James Austin was preaching there at the time.

We mentioned last week that Dot Munsey, Dick Carter, Billy Coleman, and Bolly Conner were going to Richmond to attend an S. C. A Convention. Since Mrs. Harwood was sick and unable to go, Miss Moses consented to go with the students. We all thank Miss Moses for this favor.

By the way, we hope Lena Moore will have many more birthdays just as happy as the one recently past. (We're sure Jimmy Drinkard will see to this for us.)

Saturday night is a busy time for the students of this high school it seems. Tell us, couldn't it have been Saturday night that we saw all these people? Joyce Wingfield and Dick Lipscomb, Tye and Helen Mae, Garnet and Tommy, Lina and Morris, Josephine and Gordon,Billy and Verta, and Billy Coleman and Nancy Scott.?

Our thanks to Miss Moses for the swell party she gave us Friday night. We understand that there was a lot of fun and plenty to eat.

Don't forget to see the movie, "Sweet Genevieve" at the Appomattox Theatre Sunday and Monday.

We students are expecting all our parents to come out next Wednesday night to the school to attend the American Education Week Program to be presented at that time. The parents should enjoy this since they are to go through all the classes their children attend.

There's a Canteen Party this week. The Senior Class is going to sponsor it.

We're glad to have a new pupil enter our school, Miss Laura Spence.

Have you heard that Elizabeth Mundy has won a trip to Chicago for her excellence in 4-H Club work? We're proud of her being a state winner.

Well, it seems we just ramble on and on. But we hope to be back again next week. So for now,- so long.

Town To Buy Fire Engine

At its regular meeting Monday night the Appomattox Town Council voted to purchase a new fire engine for the town, to cost approximately $6,500.

It is expected that delivery of the new fire truck will be made in from 60 to 120 days.

Streets Being Resurfaced

Streets of the town of Appomattox are being resurfaced this week. It is the first resurfacing since before the war. The railroad has also hard surfaced its long loading siding here.

Fiddlers' Contest

An old-fashioned fiddlers' contest is being held tonight in high school auditorium. It is being held for the benefit of the Appomattox Volunteer Fire Company.
